

How Our Background Screening Support Works

Business-Fingerprints-Services-of-God | <https://asputnik7network.github.io/Business-Fingerprints-Services-of-God/>

Service Summary

We provide professional, compliance-aligned services supporting regulated programs, including certified LiveScan fingerprint data collection (in-person only), plus optional verification add-ons where authorized and requested.

Key Compliance Principles

- **In-person biometric collection only:** No fingerprint/biometric data is collected through this website.
- **Authorized workflows:** Data is captured using authorized LiveScan equipment and transmitted to the appropriate processing entity per the requesting program.
- **Data minimization:** We only collect administrative intake information necessary to schedule and deliver services.
- **Confidential handling:** We implement reasonable safeguards and follow applicable laws and agency requirements.

Common Use Cases

Applicants, employees, contractors, and volunteers serving children, seniors, individuals with disabilities, or other regulated populations; vendor onboarding; compliance readiness support.

Service Request & Scheduling

Use the website Request Services pathway to submit an inquiry or schedule an appointment. Service requests are confirmed upon eligibility verification and availability.
